## **ADVISORY – WEDNESDAY – Pennsylvania to Host Falcon Banding Livestream Event**

**HARRISBURG** – The Pennsylvania Department of Environmental Protection (DEP) will host an educational livestream event featuring the banding of the Harrisburg falcon nestlings on Wednesday June 7, 2023 at 9:30 AM. The event will be livestreamed at the DEP Facebook page at <https://www.facebook.com/PennsylvaniaDEP/> and at <http://pacast.com/live/dep>

Follow the conversation on Twitter with [#HbgFalconsBanding](https://twitter.com/HbgFalconsBanding) and [@FalconChatter](https://twitter.com/FalconChatter).

The nest is located at the top of the Rachel Carson State Office Building, which houses the Department of Environmental Protection and Department of Conservation and Natural Resources. It's the most productive peregrine nest in Pennsylvania.
