

Governor Shapiro Joins Constellation Energy, Labor Leaders, Community Members, and Local Officials at Crane Clean Energy Center in Middletown, PA

Wednesday, June 25, 2025

Middletown, PA - Governor Josh Shapiro joined **Constellation Energy**, labor leaders, community members, and local officials at the **Crane Clean Energy Center** in Middletown, Pa. — one of 15 nuclear power plants operated by Constellation, the nation's largest producer of reliable, emissions-free energy. Constellation provides about 10% of the country's clean energy and is a leading supplier to homes, businesses, and public sector customers across the U.S.

Speaker List:

Governor Josh Shapiro

Joe Dominguez , CEO, Constellation Energy

Bobby Hollis, Vice President of Energy Cloud Operations and Innovation, Microsoft

Manu Asthana, CEO, PJM

Maria Korsnick, CEO, Nuclear Energy Institute (NEI)

Senator Patty Kim, Pennsylvania State Senator

Representative Tom Mehaffie, Pennsylvania State Representative
