MEDIA ADVISORY: SEPTEMBER 22 IN PHILADELPHIA – Governor Shapiro to Convene Historic 13-State Summit to Chart a New Course for PJM

Philadelphia, PA – On Monday, September 22, **Governor Josh Shapiro** will convene representatives of all 13 PJM governors and key stakeholders from across the 13 state region served by the PJM electrical grid to discuss the critical changes that PJM must make to keep energy costs low, bring new electricity onto the grid quickly, and meet the needs of 65 million Americans at the *Summit of the State of PJM Interconnection*.

Governor Shapiro has been outspoken on PJM's need to meet the moment and grow with the pace of business as energy innovation has rapidly expanded, which is why he is bringing a coalition together for this historic summit to discuss solutions and help chart a new course for the grid operator.
