**MEDIA ADVISORY: FEBRUARY 2 – PENNSYLVANIA TO
HOST GROUNDHOG DAY 2026**

Punxsutawney, PA – All eyes will be on Pennsylvania February 2, 2026, to learn if we'll have six more weeks of winter or an early spring. Punxsutawney Phil, Pennsylvania's most famous groundhog, will emerge again for the 140th year to share his prognostication with the world.

This event unites people of all ages and backgrounds to celebrate one of America's most cherished traditions. From Phil's top-hatted Inner Circle of handlers to the tens of thousands of attendees who will brave the winter chill, Groundhog Day 2026 promises to be a moment of collective excitement and anticipation.
